Biggert-Waters Flood Insurance Reform Act of 2012: Affordability and Implementation Challenges

**Tuesday, October 1, 2013
2pm-4pm**

Capitol Visitor Center - HVC 201 A&B

Congressional Home Protection Caucus, American Bankers Association, National Association of Realtors, National Association of Home Builders, American Bankers Insurance Association, & the Independent Community Bankers of America will co-host a symposium on flood insurance affordability to:

1. Bring greater clarity and understanding of the changes to the National Flood Insurance Program;
2. Address concerns regarding flood insurance affordability;
3. Put forth solutions that enhance the long term sustainability and affordability of flood insurance, which may include an increased private sector role in augmenting NFIP.
